

Group 36: The Occupancy Project

Advisor: Mani Mina, Client: Iowa State University

Team Email: may1636@iastate.edu

Group Members:

Shaun VanWeelden - Team Lead - (shaun314@iastate.edu)

Sam Ennis - Web Jedi - (sennis@iastate.edu)

Lee Robinson - Key Concept Holder "Synergy" (leerob@iastate.edu)

Mike Pruszinske - Communication Leader - (mikep@iastate.edu)

This Week's Accomplishments

- Identified minimum viable product and stretch goals
- Business value proposition of final product and marketing ideas
- More in-depth research on necessary hardware
- Solidified parts list (we think)
- Web and mobile app mock-ups
- Formalized project timeline for fall semester
- Decided to participate in HackISU to get off to a good start

Next Week's Plan

- Submit parts list to advisor for purchase
- Prep for HackISU
- Brainstorm marketing ideas

Pending Issues

- N/A - All good so far!

Individual Contributions

- Shaun - Sourcing parts
- Sam - Sourcing parts, read about backend options
- Lee - Looking up coding tutorials, parts suggestions
- Mike - Sourcing parts, researching project ideas/details
