

Group 36: The Occupancy Project

Advisor: Mani Mina, Client: Iowa State University

Team Email: may1636@iastate.edu

Week 9

Group Members:

Shaun VanWeelden - Team Lead - (shaun314@iastate.edu)

Sam Ennis - Web Jedi - (sennis@iastate.edu)

Lee Robinson - Key Concept Holder "Synergy" - (leerob@iastate.edu)

Mike Pruszinske - Communication Leader - (mikep@iastate.edu)

This Week's Accomplishments

- Finished database redesign
- Began preparing in-class presentation material
- Updated project website
- *Note: was a busy week for all of us with full-time job interviews*

Next Week's Plan

- Finish preparing material for in-class presentations
- Update web app to correctly display occupancy status of all rooms in Coover
- Continue product development

Pending Issues

- N/A - All good so far!

Individual Contributions

- Shaun - Created rough draft of powerpoint and refined slides
- Sam - Database redesign.
- Lee - Refined powerpoint and added content, researched Arduino interrupts
- Mike - Weekly report, assisted with preparation of presentation materials
